

Mandell's Clinical Pharmacy is a fertility specialty pharmacy that The New Hope Center for Reproductive Medicine has requested to assist in investigating your fertility drug coverage. By signing below, you authorize The New Hope Center for Reproductive Medicine to provide Mandell's Clinical Pharmacy with your contact information for the purposes of investigating your drug benefits.

If you prefer, you may contact Mandell's directly at 877-252-0553 (www.mandellsparmacy.com) or sign this form and we will provide them with your information.

I consent to have The New Hope Center for Reproductive Medicine provide my contact information to Mandell's Clinical Pharmacy for the purpose of performing an investigation into my drug benefit. By signing below, I understand and acknowledge that Mandell's Clinical Pharmacy will be contacting me directly in the near future, and will require certain personal information, including my prescription benefits information.
